01 Dura Beds

The Cambridge features a combination of materials: individual pocket springs combined with two inches of visco elastic memory foam encapsulated in an ingenious air flow cushion top. The cushion top allows for ventilation of the foam – this releases any potential moisture build up. The divan base also features bumper bar and twin wheel castors. **01924 422537**

02 Relaxsan

A brand new mattress collection launched for the first time at the Manchester Furniture Show last July, the Aloe Vera from Relaxsan is, as the name suggests, enriched with soothing Aloe Vera capsules. This mattress boasts superb orthopaedic support, breathes naturally and is allergy-free. Plus a 12-year warranty is included. www.relaxsanmagniflex.com

03 Relaxsan

The Magnificent Silver Collection from Relaxsan is higher than any ordinary mattress, with a height of 24 cm. Its quilted Memorex padding offers extra comfort and the seven zones layer presents variable support. A key attribute is its
