BEDS 59

Looking for the latest chic frame? Searching for the ideal mattress solution, or a multi-purpose bedstead? While the industry may be struggling, the bed sector is relatively blooming, according to new research by independent retail analyst Verdict. Market growth needs product development and innovation, so it is a good thing that there are plenty of stand-out models out there ...

and comfort kings

damask cover.

Harmony Beds offers a wide choice of storage facilities as well as a wide range of fashionable and contemporary covers in quality damask, knitted polyester and stretchable covers. It is able to deliver to retail stores in most parts of the UK on a weekly basis, and now also offers a next-day service on mattresses throughout the UK and Scotland.

**Pinetum** offers a range of beds, from the classic Slat and Panel beds to the stylish Paris and contemporary Low Line. Its biggest selection of beds can be found in the Quercus and Como collections – there are 10 styles from which to choose, with most being available in single, double, king and even super king sizes, all in solid oak and available in a range of finishes.

Italy's popular mid-market mattress brand, **Relaxsan**, will be exhibiting its latest Magnificent ranges at the South West Furniture Show – between 21st-23rd this month at the Sedgemoor Auction Centre in Somerset – following its successful UK launch at the Manchester Furniture Show.

New collections on display will include the hypoallergenic, antibacterial and highly

Magnificent Bamboo,  
from Relaxsan

breathable exclusive mattress range, **Magnificent Bamboo**. Boasting natural antibacterial elements, bamboo fibre can absorb and evaporate human sweat in an instant. Bamboo fibre is also completely eco-friendly, non-toxic and biodegradable. Softer than cotton, with a texture similar to a blend of cashmere and silk, bamboo helps keep skin fresh.

The Magnificent Bamboo range forms part of the Premium collection – which also includes an innovative silver fabric range – and, with a height of 26cm, is higher than any ordinary mattress. All Relaxsan mattresses are ▶

100% made in Italy, come with 12-year warranties and are FIRA-certified.

Already widely popular and distributed in the UK since 1998, Relaxsan is part of the **Gruppo Magni**, Italy's largest mattress manufacturer, which produces a broad line of mattresses and accessories for sleeping and relaxing, shipping to more than 70 countries.
